- B. Seller makes no representations or warranties concerning the condition of the property, including but not limited to mechanical systems, dry basement, foundation, structural, or compliance with code, zoning or building requirements and will make no repairs to the property after execution of this contract. Purchaser understands that regardless of whether the property is being financed with an FHA-insured mortgage, Seller does not guarantee or warrant that the property is free of visible or hidden structural defects, termite damage, lead-based paint, or any other condition that may render the property uninhabitable or otherwise unusable. Purchaser acknowledges responsibility for taking such action as it believes necessary to satisfy itself that the property is in a condition acceptable to it, of laws, regulations and ordinances affecting the property, and agrees to accept the property in the condition existing on the date of this contract. It is important for Purchaser to have a home inspection performed on the property in order to identify any possible defects. If FHA insured financing is used, up to \$200 of the cost to perform the inspection may be financed into the mortgage. Names of home inspection companies can be found in the yellow pages of your telephone directory under the heading "Home Inspection Services."**
- C. If financing is involved in this transaction (Item 4), Purchaser agrees that should he/she/it fail to provide documentation indicating that proper loan application was made in good faith within 10 calendar days of the date this contract was accepted by Seller, and/or thereafter otherwise to put forth good faith efforts to obtain necessary financing, Seller shall have the option of rescinding this contract and retaining all or a portion of Purchaser's earnest money deposit.
- D. Seller may rescind this contract and return all or a portion of Purchaser's earnest money deposit under the following conditions:
1. Seller has not acquired the property.

- Tender of the deposit shall release the Seller from any and all claims arising from this transaction.
- E. Purchaser may not perform repairs nor take possession of the property until sale is closed. Risk of loss or damage is assumed by Seller until sale is closed, unless Purchaser takes possession of the property prior thereto, in which case State law shall apply. (1) If sale involves FHA insured financing and after damage the property no longer meets the intent of Minimum Property Standards (MPS), Seller may, at its option, perform repairs or cancel the contract and return Purchaser's full earnest money deposit. If, after damage, the property still meets the intent of MPS, Purchaser has the option of accepting the property as-is, with a purchase price adjustment at Seller's sole discretion, or cancelling the contract and receiving refund of full earnest money deposit. (2) If sale does not involve FHA insured financing, Seller will not repair damage but may, at Seller's sole discretion, reduce the sale price. Purchaser has option to cancel the contract and receive refund of full earnest money deposit. Tender of the earnest money shall release Seller from any claims arising from this transaction.
- F. If this property is being offered with FHA insured mortgage financing available, Seller's acceptance of this contract constitutes a commitment to insure, conditioned upon Purchaser being determined by Seller or Direct Endorsement Underwriter to be an acceptable borrower and further conditioned upon Seller's authority to insure the mortgage at the time the sale is closed.
- G. Purchaser understands that Seller's listing price is Seller's estimate of current fair market value.**
- H. No member of or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit that may arise therefrom, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.

Purchaser understands that the Lead-Based Paint Addendum must be signed by all Purchasers and forwarded to Seller *with* this contract. Contracts which are not in conformance with these requirements will not be accepted by Seller.
- K. The effective date of this contract is the date it is accepted (signed) by the Seller.

*******FORFEITURE AND EXTENSION POLICY*******

HUD Case No. _____

Property Address: _____

City: _____

All HUD Property Disposition sales of HUD-acquired properties are to close within 45 days (60 days in Michigan and Ohio only) of acceptance of a HUD-9548 (1/99) Sales Contract offer to purchase.

Forfeiture of Earnest Money Deposits.

The failure by a purchaser to close on the sale of property within the allowable time period, including any granted extensions, will result in the forfeiture of the entire earnest money deposit, except where the purchaser presents documentation to HUD that one of the special circumstances described in paragraph (B) below this section has occurred.

A. Investor Purchasers:

1. The failure by an investor to close on an uninsured (not involving FHA) sale will result in forfeiture of the entire earnest money deposit.
2. Fifty percent of the earnest money deposit on an FHA-insured sale will be returned to an Investor Purchaser where HUD (or a Direct Endorsement Lender using HUD guidelines) determines that the Purchaser is not an acceptable borrower.

B. Owner Occupant Purchasers:

1. The entire earnest money deposit will be returned to an Owner-Occupant Purchaser who fails to close after the sales contract was signed due to:
 - There has been a death in the immediate family (contract holder, spouse, or children living in the same household).
 - There has been a recent serious illness in the immediate family that has resulted in significant medical expenses or substantial loss of income, thus adversely affecting the purchaser's financial ability to close the sale.
 - There has been a loss of employment by one of the primary breadwinners, or substantial loss of income through no fault of the purchaser.
 - In the case of an FHA-insured sale HUD (or a direct endorsement lender using HUD guidelines) determines that the purchaser is not an acceptable borrower.
 - For other good cause, to be determined by MCB.
2. In the case of an uninsured (not involving FHA) loan where, despite good faith efforts by the purchaser, there is an inability to obtain a mortgage loan from a recognized mortgage lender, 50 percent of the earnest money deposit will be returned.

On either type of sale, forfeit 100 percent of the deposit on those instances where no documentation is submitted, where the documentation fails to provide an acceptable cause for the purchaser's failure to close, or where the documentation is not provided within a reasonable time frame following contract cancellation. (e.g., 90 days).

Extensions

The MCB office will grant extensions of time upon written request from the purchaser. Extensions of time to close the sale are entirely within the Seller's discretion. An extension, if granted, will be under the following conditions:

- a) **A written request for an extension must be received by MCB before the expiration of the sales contract.**
- b) **The documentation submitted with the request must establish the cause of delay and that mortgage approval is imminent during the extension period.**
- c) **An extension will be for a period of fifteen calendar days. Fees are based on the Contract Sales Price of the property; \$10 per day is charged if the sales price is \$25,000 or less; \$15 per day if the sales price is more than \$25,001; and \$25 per day if the sales price is over \$50,000. Extension requests must be submitted through the Closing Agent and all fees must accompany the request at the time of submission.**
- d) **Extension fees shall be retained by Seller if a closing doesn't occur.**
- e) **At the closing, unused extension fees will be prorated to the Purchaser and refunded by escrow.**
- f) **The granting of one extension shall not obligate the Seller to grant additional extensions, and the Seller shall declare a Default for the Purchasers' failure to close the sale upon the expiration of the original closing period or upon expiration of the extension.**

Allowable Closing Costs-Line 5 of Sales Contract (HUD 9548-1/99)

Upon closing of a HUD-owned single-family property, the Department will allow to be deducted from its proceeds, purchaser financing and closing costs considered to be reasonable and customary in the jurisdiction where the property is located. Form-HUD-9548 (Sales Contract-Property Disposition Program), shall be used to reflect the total dollar amount HUD is expected to pay towards a purchaser's financing and closing costs. However, in no event may the costs exceed three percent (3%) of the property's gross purchase price. If the total closing costs reflected on the HUD 1 settlement statement are less than the amount indicated on the sales contract, HUD will reimburse only the actual costs charged and will not credit the purchaser with any difference either in cash or through a purchase price.

□

However, on an FHA 203(k) rehabilitation mortgage, HUD will reimburse one and a half percent (1.5%) of the mortgage.

Seller Disclosure

Seller makes no representations or warranties concerning the condition of the property, including but not limited to mechanical systems, plumbing systems, dry basement, foundation, structural, or compliance with code, zoning or building requirements and will make no repairs to the property after execution of this contract. Purchaser understands that regardless of whether the property is free of visible or hidden structural defects, termite damage, lead-based paint, or any other condition that may render the property uninhabitable or otherwise unusable. Purchaser acknowledges responsibility for taking such action as it believes necessary to satisfy itself that the property is in a condition acceptable to it, of laws, regulations and ordinances affecting the property, and agrees to accept the property in the condition existing on the date of this contract. Seller disclosure concerning HOA dues, assessments, or any tax concerning HUD homes is based on available information but not deemed complete or accurate. It is the responsibility of the Buyer to obtain all information concerning these issues.

Walk-Thru Inspection

All purchasers are strongly encouraged to perform a walk through inspection PRIOR to the close of escrow. If a purchaser discovers a property condition that did not exist at the time of sale they must immediately notify HUD's property manager, Michaelson, Connor & Boul, of the damage. The buyer assumes full responsibility for the property and its condition on the date of close of escrow. The Department assumes no responsibility, and will make no settlement, for damages reported to HUD after the close of escrow. Brokers must sign out keys with the property manager to perform the inspection. (See item #13.E of HUD Sales Contract).

Buyer Certification.

I/we certify that I/we have been interviewed, completed a loan application, verification of employment's and obtained a full credit report from the lender that has provided the attached Letter of Commitment. I/we understand the I/we will forfeit our earnest money deposit if we enter into this contract without completing this qualification process.

Should HUD instruct me to collect earnest money deposits from prospective buyers, I agree to do so at the time the contract is written, and according to HUD's instructions, deposit such funds in my trust account no later than the close of business the next banking day.

I understand that I am fully responsible for any deposit accepted and placed in my trust account. I also understand that any deposit accepted will only be in the form of a cashier's check, certified check or money order with no termination date or cancellation provision.

Earnest money deposits being held in my trust account shall be accounted for at the sales closing, unless the contract is terminated. I agree to immediately comply with HUD's instructions for the ultimate disposition of each earnest money deposit.

I agree to fully explain to each purchaser, prior to a contract being written, HUD's earnest forfeiture policy:

I understand that this document will be retained by HUD.

For Your Protection: Get a Home Inspection

Name of Buyer (s) _____

Property Address _____

Why a Buyer Needs a Home Inspection

A home inspection gives the buyer more detailed information about the overall condition of the home prior to purchase. In a home inspection, a qualified inspector takes an in-depth, unbiased look at your potential new home to:

- evaluate the physical condition: structure, construction, and mechanical systems
- identify items that need to be repaired or replaced
- estimate the remaining useful life of the major systems, equipment, structure, and finishes

Appraisals are Different from Home Inspections

An appraisal is different from a home inspection. Appraisals are for lenders; home inspections are for buyers. An appraisal is required for three reasons:

- to estimate the market value of a house
- to make sure that the house meets FHA minimum property standards/requirements
- to make sure that the house is marketable

FHA Does Not Guarantee the Value or Condition of your Potential New Home

If you find problems with your new home after closing, FHA can not give or lend you money for repairs, and FHA can not buy the home back from you.

Radon Gas Testing

The United States Environmental Protection Agency and the Surgeon General of the United States have recommended that all houses should be tested for radon. For more information on radon testing, call the National Radon Information Line at 1-800-SOS-Radon or 1-800-767-7236. As with a home inspection, if you decide to test for radon, you may do so before signing your contract, or you may do so after signing the contract as long as your contract states the sale of the home depends on your satisfaction with the results of the radon test.

Be an Informed Buyer

It is your responsibility to be an informed buyer. Be sure that what you buy is satisfactory in every respect. You have the right to carefully examine your potential new home with a qualified home inspector. You may arrange to do so before signing your contract, or may do so after signing the contract as long as your contract states that the sale of the home depends on the inspection.

I/we understand the importance of getting an independent home inspection. I/we have considered this before signing a contract with the seller for a home. Furthermore, I/we have carefully read this notice and fully understand that FHA will not perform a home inspection nor guarantee the price or condition of the property.
